

Rx Council Exchange

Prescribed Fire (Rx) Council Learning Exchange

February 13 – 14, 2017

**State Forestry Socorro District Office, 1701 Enterprise
Socorro, NM 87801**

Purpose: The New Mexico Prescribed Fire Council, the Northern California Prescribed Fire Council, the Forest Stewards Guild, and others are working to improve the condition and health of our forests and communities with dual goal of *Resilient Landscapes and Fire Adapted Communities*. To further those goals, we are convening a learning exchange between the NM Prescribed Fire Council and the NorCal Prescribed Fire Councils. At this exchange the Councils will share their successes and lessons and work together to fine-tune our strategies and tactics.

Featured Guest: Lenya Quinn-Davidson is an extension agent with the UC Cooperative Extension, the Director of the NorCAL Rx Fire Council, and serves on the governing board of the Coalition of Prescribed Fire Councils.

If you are passionate about New Mexico's Ecosystems and Communities, you are invited to join the Exchange!

Limited to 15 participants.

RSVP by February 8th to Eytan at eytan@forestguild.org; 505-983-8992 ext 16.
