ABOUT BAXTER PARK:

The entire park is 209,501 acres. Of that, 29,587 acres are in the SFMA. It is located at the north end of the Park. The SFMA is a Guild Model forest and is also FSC certified. Both Jensen Bissell (Park Director) and Carol Redelsheimer (Resource Manager) are Guild members.

For further information about the Park, go to www.baxterstateparkauthority.com, including how to make camping reservations on your own. There is a \$12 entry fee for vehicles with out-of-state license plates, payable on entering the park. Pets are not allowed. Water must be treated before drinking, or bring in your own. Please review Park rules on the web site, or request a copy from Barrie Brusila (contact info included).

LOGISTICS:

Space is limited. Our group campsites can accommodate 42 people maximum, and will be filled on a first-come basis. **Register as early as you can.** You can still try to reserve a campsite on your own once the group one is filled, but the Park is popular and sites fill quickly.

Family members are welcome. Please make a reservation for each person (adult or child) who is coming. You do not have to stay for the entire session, but you do need to register for those nights at the group site and tours you plan to attend. You may wish to extend your vacation to further enjoy this beautiful Park or the surrounding areas.

COSTS:

Camping fee is \$7 per person per night, August 20, 21, 22, 23. There is no fee for the tour or hike into Boody Brook. Canoe rental fees are included in camping fee.
